

REMARKS

Applicants canceled claims 65-83 without prejudice and with reservation of all rights to pursue the subject matter of such claims in this or a related application.

Applicants added new claims 84-110. All new claims are supported by the specification, considered as a whole. For example, written description for claim 84 is found in the original claim 1; for claim 85 at page 4, lines 15-17; for claim 86 in the original claim 2 and at page 6, lines 1-3; and for claim 95 at page 10, lines 15-29.

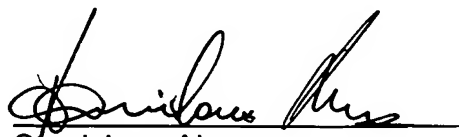

It is submitted that all claims are in condition for allowance, an indication of which is solicited.

Authorization is hereby granted to charge or credit the undersigned's Deposit Account No. 50-0206 for any fees or overpayments related to the entry of this Amendment.

Respectfully submitted,
